Whitefield Conservation Commission Annual Report for 2006

N. H. STATE LIBRARY

APR 19 2007

CONCORD, NH

The Whitefield Conservation Commission continued to work towards the goals set forth in the commission's charter. Commissioners are Charlie Baylies, Rita Chadwick, Bill Thompson, Marjorie Goodson, Jacklyn Comeau (appointed in 2006) and Dick Mallion.

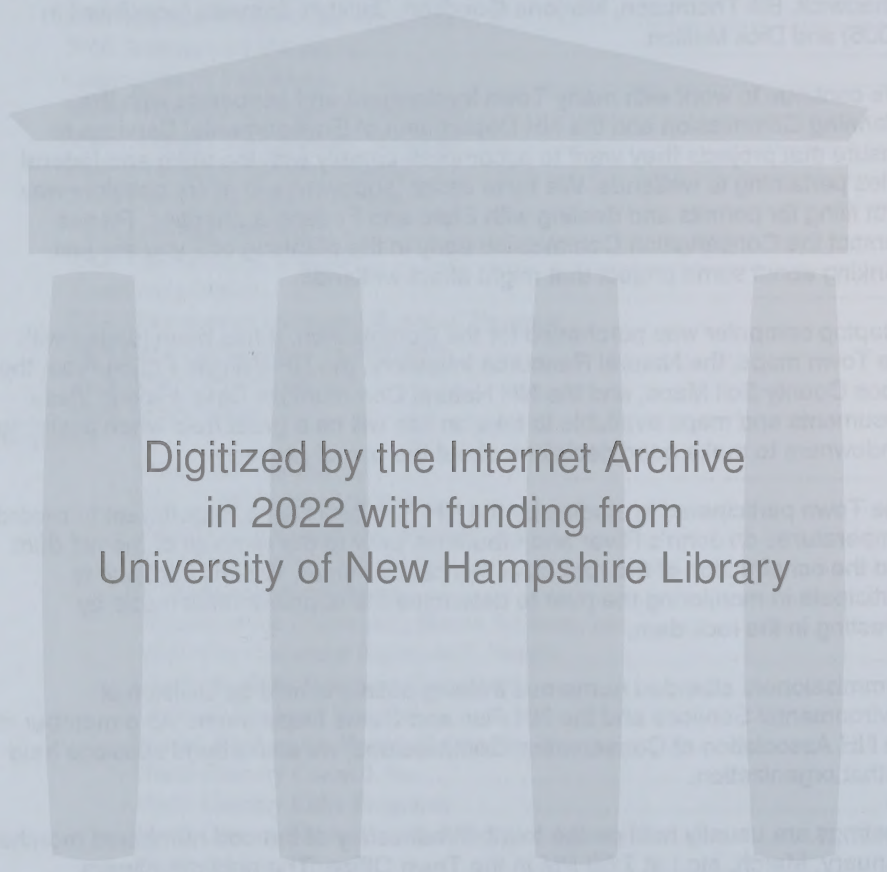

We continue to work with many Town landowners and cooperate with the Planning Commission and the NH Department of Environmental Services to ensure that projects they want to accomplish comply with the state and federal rules pertaining to wetlands. We try to assist landowners in every possible way with filing for permits and dealing with State and Federal authorities. Please contact the Conservation Commission early in the planning or if you are just thinking about some project that might affect wetlands.

A laptop computer was purchased for the Commission. It has been loaded with the Town maps, the Natural Resource Inventory, the NH Wildlife Action Plan, the Coos County Soil Maps, and the NH Natural Communities Data. Having these documents and maps available to take on site will be a great help when assisting landowners to make good decisions about the use of property.

The Town participated in studies by the NH Fish and Game department to record temperatures on John's River and tributaries prior to the removal of the old dam and the construction of the rock dam this past summer. We will continue to participate in monitoring the river to determine the improvements made by investing in the rock dam.

Commissioners attended numerous training sessions held by Division of environmental Services and the NH Fish and Game Department. As a member of the NH Association of Conservation Commissions, we also attend sessions held by that organization.

Meetings are usually held on the fourth Wednesday of the odd numbered months (January, March, etc.) at 7:00 PM in the Town Office. The public is always welcome. However, you do not need to wait to attend a meeting if you have something for the Commission to consider. Contact us at anytime through the Chair (Dick Mallion, 83798732) or through the Town Office.

TOWN OF WHITEFIELD  
2006  
ANNUAL TOWN MEETING  
MINUTES

The Annual Town Meeting was held at the auditorium of the C.D. McIntyre Building on Tuesday, March 14, 2006. Harold Burns, Moderator, called the meeting to order at 7:30 p.m. The R.O.T.C. from White Mountains Regional High School presented the flags and lead the salute of the flag. Katie Siggins sang the Star Spangled Banner. Kenneth Russell, Jr. was called forward to accept proclamations from the NH House of Representatives, the State Senate, and Governor Lynch for his 28 years of service as Whitefield's Town Moderator. A letter of thanks from Ray Burton was also presented.

Harold said we had received a petition for three articles, 24, 25 & 26, to be conducted by secret written ballot vote.

The Moderator read the Warrant and gave the results of the posting.

m. Municipal Water Department: A motion was made by Jay Hartnett to move the question. It was seconded by Ken

Jordan. The floor was opened for discussion. **A vote was in favor of accepting the appropriation in the amount of \$257,691.**

A motion was made by Jay Hartnett and seconded by Wendy Hersom to take the warrant articles out of order. We will move articles 24, 25, and 26 before article 11. The reason for this is we have the secret ballot request and this will allow us time to count the ballots and announce the results as the meeting moves along. The floor was opened for discussion. The motion passed.

**Article 4.** To see if the Town will vote to change the purpose of the existing Whitefield Ambulance Building Capital Reserve Fund to the Whitefield Emergency Services Building Capital Reserve Fund. The effect of this change will be to permit the fund, if desired for the Town in the future, to be spent on a building not only for ambulance services but also for Fire Department and Police Department services or any combination thereof. (2/3 Vote Required)

A motion was made by Jay Hartnett to move the question. It was seconded by Ken Jordan. The floor was opened for discussion. A hand count was taken with 74 voting yes and 0 voting no. **The article passed with a 2/3 vote.**

**Article 5.** To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Landfill Closure Capital Reserve Fund created in 2005. The Selectmen recommend this appropriation. (Approximate Tax Rate Impact: .06 cents per thousand dollars of assessed value)

A motion was made by Wendy Hersom and seconded by Ken Jordan to move the question. The floor was opened for discussion. **A vote was taken and was in favor of the article in the amount of \$10,000.**

**Article 6.** To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to be added to the Ambulance Capital Reserve Fund created in 2004. The Selectmen recommend this appropriation. (Approximate tax rate impact: .08 cents per thousand dollars of assessed value)

A motion was made by Ken Jordan and seconded by Jay Hartnett to move the question. The floor was opened for discussion. **A vote was taken and was in favor of the article in the amount of \$15,000.**

**Article 7.** To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000) for recreational field upgrades and improvements and to authorize the withdrawal of Twelve Thousand Dollars (\$12,000) from the Recreation Revenue Fund previously established in 1998 pursuant to RSA 31:95-c, with no amount thereof to be raised by taxation. The Selectmen recommend this appropriation. No tax rate impact.

A motion was made by Ken Joran and seconded by Wendy Hersom. The floor was opened for discussion. **A voice vote was taken and was in favor of the article in the amount of \$12,000.**

**Article 8.** To see if the Town will vote to raise and appropriate the sum of Twenty-Seven Thousand Dollars (\$27,000) to purchase a new police cruiser and authorize the withdrawal of Eight Thousand Two Hundred and Sixty-Four Dollars (\$8,264) from the Capital Reserve Fund created for that purpose. The balance of \$18,736 is to come from general taxation. The Selectmen recommend this appropriation. (Approximate Tax Rate Impact: .10 cents per thousand dollars of assessed value)

A motion was made by Jay Hartnett to move the question. It was seconded by Wendy Hersom. The floor was opened for discussion. A motion was made by Jay Hartnett to amend the article to insert "and accumulated interest in the account" after \$8,264 and before from the Capital Reserve Fund created for that purpose. The floor was opened for discussion on the amendment. A voice vote was taken on the amendment and the amendedment passed. The floor was opened for discussion on the article as amended. It was explained that we will be getting rid of the oldest cruiser and still only keeping two cruisers. **A voice vote was taken and was in favor of the amended article in the amount of \$27,000.**

**Article 9.** To see if the Town will vote to raise and appropriate the sum of Ninety Thousand Dollars (\$90,000) to purchase a plow truck for the highway department and authorize the withdrawal of \$77,793 from the Highway Equipment Replacement Fund. The balance of \$12,207 is to come from general taxation. The Selectmen recommend this appropriation. (Approximate Tax Rate Impact: .07 per thousand dollars of assessed value)

A motion was made by Ken Jordan and seconded by Jay Hartnett to move the question. The floor was opened for discussion. Jay Hartnett made a motion, which was seconded by Ken Jordan, to amend the article to insert the wording: "and any accumulated interest in the account" after \$77,793 and

before from the Highway Equipment Replacement Fund. Steve Kenison, Road Agent, explained that we will most likely be purchasing a used, 10-wheeler. **A voice vote was taken and was in favor of accepting the article in the amount of \$90,000.**

**Article 10.** To see if the Town of Whitefield will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to hire an engineering firm to do the landfill closure design engineering plans. The Selectmen recommend this appropriation. (Approximate Tax Rate Impact: .11 per thousand dollars of assessed value)

A motion was made by Wendy Hersom and seconded by Jay Hartnett to move the question. The floor was opened for discussion. **A voice vote was taken and was in favor of the article in the amount of \$20,000.**

Moderator Burns explained that we will now be going out of order and going to articles 24, 25 and 26, which are all requested to be by secret written ballot.

**Article 24.** To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) for the purpose of purchasing the parking lot situated on King Square (Tax Map 103, Lot 51) presently owned by The Roy D. Brewster Revocable Trust of 1997 and the Lois A. Stiles Revocable Trust of 1996 for the purpose of the creation of a public parking lot. (By Petition) The Selectmen do not recommend this appropriation. (Approximate Tax Rate Impact: .58 per thousand dollars of assessed value)

A motion was made by Bob Stiles and seconded by Lois Stiles to move the question. The floor was opened for discussion. Bob and Lois explained that in order for the town to grow we need more parking. They are asking what they have in to the property. Bob said if the Town is not interested in he can sell it to someone who may want to put in a car wash or fast food restaurant. Wendy Hersom said the Board did not recommend the appropriation as we felt the price seemed high. The town, during the last revaluation in 2004, assessed the property for \$32,380. The Board questions whether we really need another parking lot and felt there were more prudent ways to spend the money. The polls were opened for secret written ballot. The results were Yes: 33/No: 102. **The article failed.**

**Article 25.** To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to purchase the parcel of land on the north side of Littleton Road in Whitefield, west of and adjacent to the existing Emergency Services Building lot for municipal use. This is a special warrant article (By Petition) The Selectmen do not recommend this appropriation. (Approximate Tax Rate Impact: .17 per thousand dollars of assessed value)

A motion was made and seconded from the floor. The floor was opened for discussion. The Selectmen stated they did not recommend this article because they had not been approached at all about it by the Fire-Rescue Department. The Board said they feel it doesn't make sense to purchase something without a plan. John St. Martin stated the Department needed to move quickly on this land as it may not be available to purchase next year at this time. They feel the department is growing and needs to look at their space requirements for the building and parking as well. Dick Harris said \$30,000 is a reasonable amount to pay for a piece of prime commercial property. Residents voiced their concern that the Town needs to get an overall plan on the town buildings including the town hall and library. We need to get a plan and get architects involved. Ken Jordan reminded the voters that we've been getting the message to keep costs down and with building plans and projects comes additional costs and money to be spent. It was suggested that the Board put together a building committee to look into the town buildings. The polls were opened for secret written ballot. The results were as follows: Yes: 82/No: 56. **The article passed in the amount of \$30,000.**

**Article 26.** To see if the Town will vote to authorize the Selectmen to accept a deed to the private road known as Mirror Lakes Estates Drive, located off of Hall Road, as a town owned and maintained Class V road, said road having been constructed in accordance with the requirements of the town's subdivision regulations (By Petition)

A motion was made by Dick Harris to move the question and was seconded by Robert Stiles. The floor was opened for discussion. Vicky Gunderson explained the history of Mirror Lakes Estates. Last year the homes in that development paid \$27,022 in property taxes. She said it has 23 lots, with five homes and 2 more under construction. The road is approximately 1 mile. Vicky said it is a good development and the road was built to state specs and is in good condition. She said it is a low impact, low density development for the Town and generates some good money in taxes for the Town. Ed Betz recalls when he worked for

Provan & Lorber, that the road was built to state specs and had an inspection by the army corps of engineers. The polls were opened for voting and the results were: Yes: 104/No: 27. **The article passed.**

**Article 11.** To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be used by the Planning Board to amend the two required sections of the Master Plan--a vision section and a land use section--as set forth in RSA 674:1 and RSA 674:2. (By Petition) The Selectmen do not recommend this appropriation. (Approximate Tax Rate Impact: .05 per thousand dollars of assessed value)

A motion was made by Aggy Chase and seconded by Sam Chase to move the question. The floor was opened for discussion. Jay Hartnett explained that the Planning Board would like to see the entire Master Plan updated rather than just a couple of sections. **A voice vote was taken on the article and the chair ruled that the article failed.**

**Article 12.** To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be used as matching funds for the engineering costs for improvements to the Mt. Washington Regional Airport (By Petition) The Selectmen do not recommend this appropriation. (Approximate Tax Rate Impact: .08 per thousand dollars of assessed value)

A motion was made by Bob Stiles to move the question. It was seconded by Virginia Poole. The floor was opened for discussion. **A voice vote was taken on the article, and the article failed.**

**Article 13.** To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) for the Whitefield Veterans Memorial Honor Roll. This sum is to be used for adding the names of those veterans who served in the Korean and Vietnam Wars from our town. It will also install a new sidewalk up to and around the memorial along with flag poles. (By Petition) The Selectmen do not recommend this appropriation. (Approximate Tax Rate Impact: .03 per thousand dollars of assessed value)

A motion was made and seconded from the floor to move the question. The floor was opened for discussion. Harold Burns made a motion to amend the amount from \$6,000 to \$4,000. The motion was seconded. The floor was opened for discussion on the amendment. Harold said the committee who is working on this project has found there are not as many

names as they had thought that have to be added, therefore, they are reducing the amount requested. Lori Whittum suggested we vote down the amendment and keep it at \$6,000, and if they don't need it then they won't take it. A voice vote was taken and the amendment was defeated. The floor was opened for discussion on the original article. **A voice vote was taken and was in favor of the article in the amount of \$6,000.**

**Article 14.** To see if the Town will raise and appropriate the sum of One Thousand Two Hundred and Sixty-Four Dollars (\$1,264) to support the social and volunteer services of Hospice of the Littleton Area, a non-profit organization which offers supportive care and bereavement services to the terminally ill patients and their families in the Town of Whitefield. The Selectmen recommend this appropriation. (By Petition) (Approximate Tax Rate Impact: less than .01 cent per thousand dollars of assessed value.)

A motion was made and seconded from the floor to move the question. The floor was opened for discussion. **A vote was taken and was in favor of accepting the article in the amount of \$1,264.**

**Article 15.** To see if the Town will vote to raise and appropriate the sum of Ten Thousand One Hundred and Twenty-Nine Dollars (\$10,129) for the Weeks Medical Center--Home Health & Hospice Services to be used to assist in the delivery of home health and hospice services to the residents of the Town of Whitefield. The Selectmen recommend this appropriation. (By Petition) (Approximate tax rate impact: .05 per thousand dollars of assessed value)

A motion was made by Bill Jones and seconded by George Whittum to move the question. The floor was opened for discussion. **A vote was taken and was in favor of the appropriation in the amount of \$10,129.**

**Article 16.** To see if the Town will vote to raise and appropriate the sum of Two Thousand Eight Hundred and Sixty-Two Dollars (\$2,862) as the Town's contribution to the White Mountain Mental Health & Common Ground, programs of Northern Human Services, serving the mental health and developmental service needs of Whitefield residents. The Selectmen recommend this appropriation. (By Petition) (Approximate Tax Rate Impact: .01 per thousand dollars of assessed value.)

A motion was made by Ken Jordan and seconded by Roxie Severance to move the question. The floor was opened for discussion. **A vote was taken and was in favor of the appropriation in the amount of \$2,862.**

**Article 17.** To see if the Town will vote to raise and appropriate the sum of Three Thousand Three Hundred Dollars (\$3,300) to help support The Caleb Interfaith Volunteer Caregivers, that serves the needs of elderly and disabled people in the community. The Selectmen recommend this appropriation. (By Petition) (Approximate Tax Rate Impact: .01 per thousand dollars of assessed value.)

A motion was made by Mr. Mallion and seconded by Roxie Severance to move the question. The floor was opened for discussion. **A vote was taken and was in favor of the appropriation in the amount of \$3,300.**

**Article 18.** To see if the Town will vote to raise and appropriate the sum of Two Thousand Eight Hundred Dollars (\$2,800) in support of the Tri-County CAP, Inc.-North Country Elderly Programs Senior Meals Program. The Selectmen recommend this appropriation. (By Petition) (Approximate tax rate impact: .01 per thousand dollars of assessed value)

A motion was made by Bob Stiles and seconded by Wendy Hersom to move the question. The floor was opened for discussion. **A voice vote was taken in favor of the appropriation in the amount of \$2,800.**

**Article 19.** To see if the Town will vote to raise and appropriate the sum of Two Thousand Eight Hundred and Twenty-Five Dollars (\$2,825.00). Of that amount, the sum of Six Hundred Dollars (\$1,600.00) is to support the Senior Wheels Demand Response Program and the sum of One Thousand Two Hundred and Twenty-Five Dollars (\$1,225.00) is to support the Lancaster-Whitefield-Littleton Tri-Town Public Transit Route. (By Petition) The Selectmen recommend this appropriation. (Approximate Tax Rate Impact: .01 per thousand dollars of assessed value)

A motion was made and seconded from the floor. The floor was opened for discussion. **A vote was taken and was in favor of the appropriation in the amount of \$2,825.**

**Article 20.** To see if the Town will vote to raise and appropriate the sum of One Thousand Eight Hundred Dollars (\$1,800) for the support of the home health care, supportive care, medical hospice, and community health programs and services of the North Country Home Health Agency, Inc. in the fiscal year 2006 for residents of Whitefield, New Hampshire. The Selectmen recommend this appropriation. (By Petition) (Approximate Tax Rate Impact: .01 per thousand dollars of assessed value.)

A motion was made by Ken Jordan and seconded by Marcia Placey to move the question. The floor was opened for discussion. **A vote was taken and was in favor of the appropriation in the amount of \$1,800.**

**Article 21.** To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) for Ammonoosuc Community Health Services, Inc. (ACHS), a non-profit community health center offering a network of affordable primary health services. As a Federally Qualified Health Center, ACHS receives federal funding to provide comprehensive preventive and primary health care to anyone, regardless of their insurance status or ability to pay. This represents a per capita amount of \$1.20 for each town resident and will help ACHS continue to provide high quality care to our 330 current Whitefield patients, as well as reach more of those in need. The Selectmen recommend this article. (By Petition) (Approximate Tax Rate Impact: .01 per thousand dollars of assessed value)

A motion was made by Ken Jordan and seconded by Wendy Hersom to move the question. The floor was opened for discussion. **A voice vote was taken and was in favor of the appropriation in the amount of \$2,500.**

**Article 22.** To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Dollars (\$1,400.00) for support of Northern Gateway Chamber of Commerce. (By Petition) The Selectmen do not recommend this appropriation. (Approximate Tax Rate Impact: less than .01 per thousand dollars of assessed value)

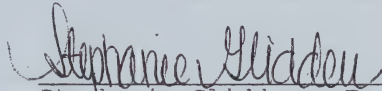

A motion was made by John Severance and seconded from the floor to move this question. The floor was opened for discussion. **A voice vote was taken and was in favor of the article in the amount of \$1,400.**

**Article 23.** To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000) and to turn such monies to the Littleton Regional Hospital in recognition of the Paramedic Intercept Program assistance provided by the hospital to the Town's Emergency Medical Services (E.M.S.) and for community benefits provided by the hospital in support of the residents of Whitefield. (By Petition) The Selectmen recommend this appropriation. (Approximate Tax Rate Impact: .01 per thousand dollars of assessed value)

A motion was made and seconded from the floor to move the question. The floor was opened for discussion. **A voice vote was in favor of the article in the amount of \$2,000.**

As there was no other business to transact, the meeting adjourned at 10:42 p.m.

I, hereby, certify that the above return of the Annual Town Meeting of March 14, 2006 is true and correct to the best of my knowledge and belief.

Stephanie Glidden - Town Clerk  
Whitefield, NH 03598

## 2006 TOWN CLERK NEWS

In 2006 the Whitefield Town Office witnessed personnel changes. Amy Hatfield, Town Clerk since 2002, resigned in December 2005. Stephanie Glidden, Amy's deputy, was appointed Town Clerk until the March 2006 election. Stephanie Glidden won an uncontested election and officially assumed the position as Town Clerk/Tax Collector.

The 2006 March Town Meeting separated the positions of Town Clerk and Tax Collector. This separation made the Tax Collector position an appointment from the Selectboard. The Town Clerk's position remained an elected position. The Town Clerk will be elected at the 2007 Town Meeting day polls, March 13 and the Tax Collector will be appointed following the Town Meeting.

In late March 2006 the Town hired Joyce McGee, former Lancaster Town Manager, as Deputy Tax Collector and Office Assistant. Joyce brought a wealth of knowledge and expertise to the position. Her duties include tax, water, and sewer collection. During the year Joyce obtained certification from the State of New Hampshire Division of Motor Vehicles and began completing car, motorcycle, trailer and camper registrations. Joyce also obtained certification for boat registrations and to issue vital statistics.

The Town Clerk's office offers motor vehicle registrations for both the Town and State portions, boat registrations, dog licensing and vital statistics. The Town Office now offers certified copies of divorce decrees.

During 2006 Stephanie Glidden and Barbara Jones, Supervisor of the Checklist, attended workshops in Concord and Berlin to prepare for state-wide updates of the voter checklist. The New Hampshire Statewide Voter Registration System known as Electionet is in place. The Town also received a voter accessible system from the Help America Vote Act of 2002. The system is designed to aid blind and visually impaired voters and includes a pop-up booth, table, lamp, telephone and fax machine. The system also expedited the voting process in the fall of 2006 with the New Hampshire Primary and the General Election.

Stephanie and Joyce are continuing their education by attending seminars, conferences and certification programs.

A Vital Records Improvement Grant application that provides for the preservation of Town Records was completed. Presently Town Records are housed in the Town vault that is not conducive to preserving old records. Acceptance of the application is pending a state inspection of the present facilities. The grant will award up to \$10,000 for equipment.

The Town Office is open from 9:00 a.m.- 4:00 p.m. Monday – Friday and Tuesday until 6:00 p.m. There is a 24-hour drop box located in the office breezeway. The Town's office personnel will continue to explore any and all funding sources that will increase the efficiency of Town Services and serve the residents with courtesy and respect.

## **DOG LICENSING REMINDER**

### **REQUIREMENTS**

Each dog over three months old must be registered by its owner or keeper prior to April 30<sup>th</sup> each year. The Town Clerk shall provide to the registrant a tag, which shall be worn by the registered dog. The tag shall carry the name of the town, the year issued for the license, and the registered number of the dog. These tags shall be furnished by the Town Clerk at the expense of the City or Town. No license shall be issued by the Town Clerk until a certificate of rabies is produced by the person registering the dog.

### **FEES**

1. For each altered dog, the fee will be \$6.50 (beginning in 1994)
2. The fee for each regular dog will be \$9.00 (beginning in 1994)
3. The Town Clerk must be satisfied with the certificate presented by the person registering the dog which attests that the dog has been altered.
4. License fee for a puppy (older than 3 months but younger than 7 months) is \$6.50. After the initial license year, the dog owner will need to supply proof of spaying/neutering in order to maintain the reduced fee.

### **EXEMPTIONS**

1. For dog owners 65 or over, the fee shall be \$2.00 for the first dog, but the regular fee shall apply for any additional dog.
2. No fee shall be required for the registration and licensing of a seeing-eye dog used by a blind person, or a hearing dog used by a deaf person.

### **GROUP LICENSES**

1. Any person who keeps five or more dogs shall by April 30<sup>th</sup> each year pay the required fee and obtain a license authorizing him or her to keep the dogs on the premises described in the license. The Town Clerk may not deny a group license to any person who complies with the requirement.
2. Group license fees are \$20.00 for five or more dogs.

**There Will Be A Rabies Clinic On Saturday, April 28, 2007**  
**At The Whitefield Fire Department From 1 p.m. – 3 p.m.**

This non-paved road is 600 feet in length and terminates in a cul-de-sac. It is built to State/Town standards and currently serves four property owners. (By Petition)

**Article 26.** To see if the Town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Whitefield.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas Emissions while protecting the U.S. economy.
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the Town of Whitefield encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

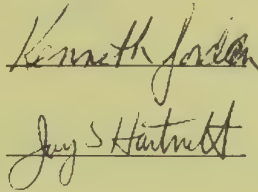

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those Offices. (By Petition)

**Article 27.** Resolved: That the residents of Whitefield consider the town to be a place where people can sit on the Common, relax on their porches, and walk through the town in peace without irritating, obtrusive and unlawful noise created by loud motor vehicles. It is further resolved that town officials and residents will do everything in their power to create a hospitable, quiet environment. (By Petition)

**Article 28.** To transact any other business that may lawfully come before said meeting.

Given under our hands and seal of the Town this twelfth day of February, 2006.

## Whitefield Fire Rescue

48 Littleton Road Whitefield, NH 03598  
Phone: 603 837-2655 Fax: 603 837-8706

There have been many notable staff achievements in 2006. Four members received their EMT Intermediate certificates Sean McAlister, Zina Schmidt, Barry Page, and Keri Grover. Two members received their Fire Fighter Level 1 certificates Rick Grima Jr. and Samantha Page. Zina Schmidt also received her Fire Fighter Level 2 certificate. Whitefield Fire Rescue has also reinstated the Paramedic Program with two call Paramedics Kelley Sweeney and Steve Jones.

The following is a list of current department members:

Fire Chief James Watkins, Assistant Chief Tony Stiles, Fire Captain Rob Blanchette, Fire Captain Terry Schmidt, EMS Captain Barry Page, Fire Lieutenant Rick Grima, EMS Lieutenant Ann Miller, Sean McAlister, John St. Martin, Zina Schmidt, Tom Ladd, Donna Page, Doug Allen, Keri Grover, Lori Comeau, John Wilkinson, Stephanie Cormier-Mears, Shawn Grover, Joanna Enman, Kelley Sweeney, Steve Jones, Heather Watkins, Brian Lennox, Steve Marcum, Mark Sodergren, Elwin Greer, Josh Couturier, Arthur Duguay, Dominic D'Arcangelo, Samantha Page, Rick Grima Jr., Mike Authier, Jason Marro, Dave Laflamme, Lorna Greer, Melissa Grima, Angela Blanchette, Marie St. Martin, Amanda St. Martin, Mike McCarthy, David Rodrigues, Jennie St. Martin, Adam Smith, Alya Knapton, Kassie Houde, Andrew Lowell,

The following is a breakdown of calls for 2006;  
463 EMS Calls, 129 Fire Calls for a total of 592.

Whitefield Fire Rescue would like to bring a more positive approach to fire prevention and safety. As a department we would like to have more fire and medical training with the public to educate the citizens of Whitefield.

Just as a reminder we have one member at the fire station Monday through Friday 6:30 am to 3:00 pm if you have any questions regarding fire or EMS.

Respectfully Submitted,

James Watkins  
Fire Chief

## **2006 PLANNING BOARD NEWS**

The Whitefield Planning Board (WPB) consists of four appointed members and one representative from the Selectboard. The Board meets on the first Wednesday of the month for a work-study session and the following Tuesday for official business unless otherwise posted.

The WPB deals with such mundane but important issues as subdivisions, driveway permits, building and development applications, lot line adjustments and other issues concerning land use.

The year 2006 witnessed a substantial growth in subdivision applications. This is an indication that Whitefield in all probability will experience an increase in development and possible population increase.

The WPB has been fortunate that no major controversies have occurred as has happened to surrounding towns. The issues that have been presented have been handled with efficiency and courtesy.

The Town's master plan that was accepted in 1989 with a few amendments over the years is in serious need of change and updating. The complexion of the Town as well as the needs and desires of the residents and state and federal regulations have changed. The WPB has, therefore, submitted for the voters consideration, a warrant article for \$16,000 to hire a professional planner to aid the WPB and begin the process of up-dating the Comprehensive Master Plan so that Whitefield can evolve and change in a orderly, intelligent fashion.

# **Whitefield Highway Department Annual Report 2006**

During 2006 the highway department worked on several projects in and around town. Projects included resurfacing a  $\frac{3}{4}$  mile stretch of South Whitefield Road, extensive ditching along the Hall Road, and the Gould Road. Other projects were ongoing efforts such as a five-year culvert replacement program, and the general day to day duties of the department.

In 2006 the department received approval and acquired the towns first ten-wheel dump truck, so far this has helped provide better service to our out of town residents by cutting down on plow route time.

The Highway Department was also involved with helping the Recreation Department build a new outside pavilion at the Highland Street ball park for all to use and enjoy. The department also enjoyed helping the common committee with some new flower boxes, the veterans of town with a new sidewalk to their monument, and as always trying to keep ice in the skating rink for our youngsters to enjoy.

In the coming year the department will be working on the landfill closure, as well as our regular duties, and striving to provide the same or better service to our taxpayers. In closing, the department and its staff wish to thank everyone for their kindness and patience, and we look forward to serving you in 2007.

Respectfully,

Stephen Kenison  
Whitefield Road Agent

WHITEFIELD POLICE DEPARTMENT  
ANNUAL REPORT  
2006

There were many changes within the Whitefield Police Department in 2006. Bill Colborn took the helm as Chief of the Police Department on January 1<sup>st</sup>. In the spring of the year Mike Bouton was promoted from part-time Officer to full-time status. Mike attended the 141<sup>st</sup> Police Academy that ran from August through November. Mike is now back and working full-time. His time is divided between working twenty hours a week at the High School (funded by the White Mountains Regional School District) and twenty hours a week on regular patrol. Ryan Kennett joined the Department in May. Ryan came to us from Essex County, Vermont, where he was a full-time Sheriff's Deputy. Since Ryan was already full-time certified in Vermont, he was only required to attend the law package portion of the full-time Academy and not the entire twelve week course of instruction. Eddie Dorr also joined the Department in a part-time capacity and has been a tremendous help. Rick Brown of the Carroll Police Department returned to the Whitefield Department in a part-time capacity. Blaine Hall is a certified part-time officer who has been hired in a part-time capacity and will be starting with the Department very soon.

The interior of the Police Department is also in the process of change. A partition is being installed in an effort to create a safer work space for employees and people visiting the Department. With this partition visitors coming into the Police Station will not be walking directly into an area where they may come in contact with a prisoner. It will also allow for more privacy for those situations that require it.

We have a new cruiser and have changed the graphics on it using reflective materials that increase their visibility, thus making it safer for the officer operating the vehicle as well as for the public in general. We have also received a grant for the 54 Project, which is a voice activated system that allows the officer to activate emergency lights and sirens by a voice command allowing the officer to keep their eyes on the road and hands on the wheel while driving. I have yet to be convinced of the necessity of such a system but with it came much needed new equipment for the cruisers at no cost to the Department or to the Town.

We are in the process of developing new policy and procedures for the Whitefield Police Department. Having these Policies and Procedures in place will help ensure that all situations are handled in a professional, uniform and respectful manner by every officer of the Department. We are using policies from a nationally certified police department in southern New Hampshire as a model, but keeping in mind and adapting these policies to fit the small town way of life we all enjoy.

I would like to take this opportunity to thank all the residents and business owners of the Town of Whitefield for the support we have received from them over the past year. We encourage all members of the community to report suspicious and criminal activity when it is observed. We are a small department that depends on the eyes and ears of the

community to be successful in our duties of keeping Whitefield a safe and prosperous place to live and work.

On any given day, a variety of different activities may take place at the library. The most important activity, of course, is still reading. Both adults and children borrow books for pleasure, to escape, for entertainment, to learn a skill or craft, for reference, or for medical or cultural information. Typical requests for books may include: How do I take care of my new gerbil? Where can I get information about Alberta, Canada? What are the side-effects of my new medication? Where can I find a pot roast recipe? The library staff is always glad to point patrons towards our wonderful up-to-date collection with the answers to these and any other questions.

Other daily library activities now include the computers. Our two public access "Gates Grant" computers are in use almost every hour that we are open. Library-card holders and visitors alike are taking full advantage of our free computers, and are able to take advantage of our fast Internet access.

Our Meeting Room is constantly in use for other non-library activities. The Coos Quilters and North Country Writers Group meet here on a monthly basis. The Quilters give us a generous donation every year from the proceeds of their Quilt Raffle, which helps augment our Book Budget.

Videos and books-on-tape are borrowed by many, and our collection of those has grown. Many patrons now “listen” to books as well as read them.

Another annual activity here is our Summer Reading Program. This year’s theme was “Treasure Reading.” 271 books were read by 30 children. 17 of them won prizes, and they amazed their teachers and parents by maintaining the reading skills they learned during the school year.

Donations of books roll in all year for the Annual Book Sale, from which proceeds are used to augment our Book Budget. The help provided by our dedicated group of volunteers is greatly appreciated during this fundraiser.

None of these activities could proceed as well as they do without the reliable and competent help of the library staff. Assistant Librarian Margaret O’Donnell, Substitutes Karen Murray and Ashlen Lee were invaluable this year, as always.

Respectfully submitted,

# AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

November 1, 2006

Board of Selectmen  
Town of Whitefield  
7 Jefferson Road  
Whitefield, NH 03598

Dear Selectmen,

Ammonoosuc Community Health Services Inc. (ACHS) is requesting an appropriation in the amount of \$2,500 from the Town of Whitefield for 2007. This represents a per capita amount of \$1.20 for each town resident and will help us continue to provide high quality care to our **363 current Whitefield patients**, as well as reach more of those who need our services.

Although ACHS has been in existence since 1975, this is our third request for town support. While many of our services are paid for through Medicare, Medicaid and grants, we have seen our patient population increase 41% over the last 2 years due to economic conditions and the increase in the uninsured population. Unfortunately, our reimbursements through these federal, state and county programs fall short of actual expenses.

ACHS serves 26 towns in northern Grafton and southern Coos counties and has sites located in Littleton, Franconia, Whitefield, Warren and Woodsville. As a Federally Qualified Health Center, ACHS receives federal funding to provide comprehensive preventive and primary health care to anyone, *regardless of their insurance status or ability to pay*. Clinical teams, made up of doctors, nurse practitioners or physician assistants supported by nurses and medical assistants, provide comprehensive services on a sliding fee scale to over 6,500 patients. ACHS provided the following services in calendar year 2006:

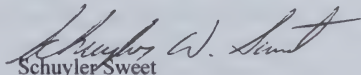

- Primary Care services to 6,656 medical users
  - On-site Perinatal services to 148 women
  - Family Planning services to 1084 users
  - HIV Counseling and Testing services to 175 clients
  - CSFP food distribution to 455 individuals per month (mostly elderly)
  - Toddler care seat loan/donation program to 50 families
  - Oral Health services to 114 adults
  - Well Child Health services to 491 children
  - Cancer Screening services to 320 high risk women
  - WIC services to 755 individuals per month
  - Health Education services through 197 presentations to schools and community groups
  - Family Support services to 147 families
  - Depression care to 349 individuals

In addition, ACHS's 340 B sliding fee drug and patient assistance programs provided more than **\$1.5 million dollars in free and reduced cost drugs** to our patients in less than two years. *Our Medical Staff also cares for the residents of Morrison Nursing Home in Whitefield.*

We would be happy to meet with you to answer any questions that you may have. On behalf of Ammonoosuc Community Health Services' board of directors, staff and patients we would like to thank you for consideration of this financial request.

Sincerely,

Norrine Williams  
Executive Director

*Executive Councilor  
District One*

### **Report to the People of District One** By Raymond S. Burton, Executive Councilor

It is an honor to report to the people of this large Northern District in my capacity as Executive Councilor, one of several elected public servants. The five member Council was founded in the NH Constitution and much of NH law provides an additional avenue at the top of your Executive Branch of State Government.

2007 will be a year when members of the Council are charged with conducting public hearings on the State of New Hampshire 10-year transportation plan. With inflation affecting basic transportation costs, and presently no plan for an increase in the State gasoline tax, I don't look for any new projects becoming a reality. We'll be lucky to complete what is currently in the plan.

I continue to seek volunteers to serve on the 300 or so Boards and Commissions as prescribed by New Hampshire law. There are some great opportunities to serve your state government! Send your letter of interest and resume to my office, or to Kathy Goode, Director of Appointments/Liaison to the Council, Governor's Office, State House, 107 North Main Street, Concord, NH 03301. Tel. (603) 271-2121. To find out what openings are available and to see a list of boards, visit the NH Secretary of State website at: [www.sos.nh.gov/redbook/index.htm](http://www.sos.nh.gov/redbook/index.htm).

The NH web site is a very valuable for citizens. If internet is not available to you, use your local public or school library to go to [www.nh.gov](http://www.nh.gov) and find all state agencies, general court (representatives) and senate members, mailing addresses, and where legislative bills and proposals are. I send my weekly schedule to some 500 e-mail addresses that include town offices, county officials, district media, NH House and Senate members, and others. If you would like to be on that e-mail list please send your e-mail address to [rburton@nh.gov](mailto:rburton@nh.gov). I often include other public notices and information.

It is an honor to continue to serve you now in my 29<sup>th</sup> and 30<sup>th</sup> years as a public servant. Contact my office anytime about your ideas, concerns and problems with state government. I respond to all inquiries and challenges.

Sincerely,

**Caleb Interfaith Volunteer Caregivers**  
**38 King's Square, Suite 9**  
**Whitefield, NH 03598**

The Caleb Interfaith Volunteer Caregivers, a not-for-profit organization, which was established in October of 1995, continues to provide services to older adults in 8 northern New Hampshire communities. Caleb's heartfelt mission is to enhance independent living for the elderly, infirm and homebound by relieving isolation and assisting with friendly visits, care and supportive services through a network of volunteers and the fostering of caring communities.

In 2006, Caleb Caregivers assisted 290 Bethlehem, Dalton, Groveton, Jefferson, Lancaster, Littleton, Twin Mountain and Whitefield seniors. Over \$52,622.41 worth of services were provided **FREE** to our clients. Caleb's 82 active volunteers donated over 2,674 hours and drove over 23,187 miles to help their older neighbors remain independent! Without these dedicated volunteers, Caleb would not exist. These volunteers give their time, their talents and most of all their hearts. Transportation to medical appointments, and for running errands, is one of the most requested services through Caleb. Caleb Volunteers made 1,383 trips this year. Of these trips 98 were long distance, taking seniors to Dartmouth Hitchcock Medical Center, North Conway, Manchester, Concord, White River Junction, and St. Johnsbury, to name a few. It costs \$1.75 per mile to take a ride in a local taxicab, and Caleb's rides are provided **free of charge**.

Transportation is only **one** of the services that Caleb volunteers provide. Caleb volunteers provide other services as well; friendly visiting, telephone reassurance, help with chores, paperwork and light housekeeping are to name a few. Caleb volunteers also assist with various community programs, such as the Commodity Supplemental Food Program. This State program is available, every other month, to New Hampshire seniors that are 60+, and that financially qualify. Caleb volunteers help distribute this food to seniors, who are totally homebound. Caleb continues to work with various pet organizations, regarding Caleb's Pet Food Project. Since this project began, in October of 2002, Caleb has given out over 6 tons of **FREE** pet food/litter to help seniors feed their pets! Last but not least, Caleb still provides training for seniors who want to learn how to use computers. Without the various services that Caleb provides, many older adults who need just a little extra help to continue living independently, might have had to go into a nursing home. The average cost of nursing home care is \$200.00 per day.

There are **no fees** for the services that are provided by the Caleb Caregivers. The program is funded through grants, fundraisers, donations and generous appropriations of the towns in which the services are provided. We want to thank the residents of Whitefield for their support and for making it possible for us to continue to provide these much needed services to the area's elders. The \$3,300.00 appropriated at last year's Town Meeting was greatly appreciated, and we ask for your continued support in 2007.

Volunteers are always in great demand, so if you would like to become a volunteer, request a volunteer, or know someone who would benefit from our services, please call

the Caleb Office at 837-9179, or contact anyone on the Board of Directors.

Neighbors helping neighbors, is what Caleb is all about, and it is what North Country residents are all about, too!

Respectfully submitted,

Whitefield, NH 03598

Dear Selectmen:

Littleton Regional Hospital is pleased to report that it has achieved considerable improvement in its operational and financial viability since the beginning of the last fiscal year. This fiscal stability was achieved without diminishing our commitment or services to the greater North Country Community.

During the period of July 1, 2005 - June 30, 2006 Littleton Regional Hospital provided a record \$5,425,069 in community benefits to our patients, their families, community health organizations and Towns in our service area. This amount represents an increase of \$1,140,671 over our previous year. During this period Littleton Regional Hospital provided \$1,264,738 in charitable care alone. An additional \$4,160,331 was provided to the greater North Country Community in support of: community health, outreach, and access, medical education, non-billed subsidized programs, and philanthropy to support community programs.

Littleton Regional Hospital stands ready to care for all patients from the Town of Whitefield, regardless of their ability to pay for often lifesaving medical care. In fiscal year 2006, Littleton Regional Hospital provided \$56,916 in charity care to patients residing in the Town of Whitefield.

The amount of financial support Littleton Regional Hospital receives represents only a fraction of the costs of providing charity care and community support programs. The management and staff who strive to provide the best care and service to all our patients sincerely appreciate your Community's continued support and commitment to Littleton Regional Hospital.

This year Littleton Regional Hospital requests a financial donation in the amount of \$2,000 from the Town of Whitefield to help offset the cost of charity care and community benefit programs that the Hospital provides, such as 24 hour a day trauma services in our Emergency Department, paramedic intercept program, free "Care-A-Van" patient transport services, community health education programs and improved access to specialty physicians.

On behalf of our entire Littleton Regional Hospital Family (Board, Medical Staff, Hospital Staff, Volunteers and Auxiliary) we thank you and your Community for your ongoing support and consideration of this financial request. As always it is an honor to serve the residents of Whitefield.

Sincerely,

# Mount Washington Regional Airport

Airport Road (mail to 7 Jefferson Road)  
Whitefield, NH 03598  
603-837-9532

January 2007

Dear Supporting Community,

Annual traffic at Mount Washington Regional Airport was up by more 30 percent compared to 2005. Notably, some four dozen trips to the airport involved chartered operations – a dramatic increase from prior years and proof that the work done to improve the airport is starting to pay off. And the sale of fuel – a key revenue source – was up in 2006 from the previous year. While these numbers in and of themselves are positive, the underlying contribution the airport makes to the region is what we as volunteer leaders view as most important.

In 2006, the airport continued to play an active role in the ongoing economic development in the North Country. At the same time, we continued to support recreational and educational endeavors throughout the region. And, as in the last several years, we accomplished this as a result of the dedicated involvement of an all-volunteer organization and the local support of forward-thinking communities in our region.

## **Economic development**

During the year, the airport completed a major expansion and runway resurfacing project, capped by a community-wide ribbon-cutting ceremony in September. This project, funded almost entirely by taxes on aviation fuel and fees paid by commercial travelers using scheduled airline service around the country, has enhanced safety, increased visibility and expanded the usability of the airport. The project itself contributed just under \$2 million to the local economy in the form of jobs for North Country residents and market opportunities for North Country businesses.

In 2006, the airport served as a more convenient gateway for new owners, management and clients of some of the North Country's largest tourism-based firms. It provided access for contractors, owners and management of other commercial endeavors – ranging from a rapidly expanding manufacturing concern to a newly acquired electronics retailer to a significant regional retail development project. Nearly 100 visits to the airport were self-described business trips.

## **Education, Quality of Life and Access**

The airport also was able to support various educational endeavors during 2006. In the spring, we hosted enterprising middle school students involved in a national competitive rocketry program. The students practiced at the airport, and parlayed what they learned into a state championship and the opportunity to compete in Virginia with students from around the country.

Later in the year, airport volunteers worked with a local scout troop to create an aviation education program (something we'd be willing to do with interested schools and other groups.) A program highlight was an on-airport tour, including the chance for students and parents to get up-close and personal with a plane, to see takeoffs and landings, and learn more about what makes an airplane – and an airport – run.

We continue to host the Mount Washington Civil Air Patrol squadron, which provides leadership training, technical education and security services throughout the region. And local pilots continue to participate in Angel Flights, providing free transportation to local residents who need medical attention at specialized health care facilities in neighboring states.

Several local residents worked toward fulfilling dreams of being able to “earn their wings.” Some got their pilot licenses and others are on their way. Other individuals used the airport as an access point for vacations or day-trips to the North Country and its attractions, as stopovers during flight training, or as a

way to reach second homes – in some cases future principal residences.

The airport hosted fly-ins that brought scores of visitors to our region, where they shopped at local retail establishments, stayed at our campgrounds, hotels and motels, and visited our many attractions.

### **Growth and Investment**

Hangar development continued on airport property. This not only boosts airport usage, which drives increased revenue through fuel sales and modest hangar leases, but it also generates additional income for the host community through increased tax payments.

Thanks to the strong volunteer involvement, the airport has been able to bolster its financial position, reduce debt and establish a reserve fund to perform state-mandated maintenance. Plus, we've funded through airport revenues the local share of design work needed to expand our taxiway and parking area. And we anticipate self-funding the local share for actual development work on these projects as well, laying the groundwork for even more hangars, more activity and more local revenue.

Through careful management and timing, our recent multi-million-dollar reconstruction and expansion project was completed for less than had been anticipated. We are looking to combine a small portion of that savings with airport-generated revenue and set it aside as money we can use to leverage more state and Federal contributions to the region. This should further reduce our requests for local taxpayer involvement and will temper dramatic changes based on which improvement is planned to occur next.

A portion of airport operating revenue comes from Whitefield and other area towns, which fund airport work much like they do other public infrastructure and local transportation improvements and maintenance. In addition, the airport receives donations from local businesses and individuals. And it generates income through the sale of fuel, and by leasing hangars and collecting fees from pilots who land and park their planes at the airport. The lion's share of capital improvement work is funded by state and Federal agencies.

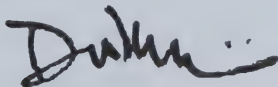

### **Going Forward**

For 2007 and beyond, the airport is looking to capitalize on the completion of our runway and approach safety improvements. We are working with businesses and individuals to develop more hangars at the airport, which will increase revenue and make access to the North Country practical for a greater number of visitors. We are exploring the possibility of adding jet fuel to our offerings, which would help us better serve business and tourism travelers as well as emergency medical flights to and from the region.

We are continuing to increase our marketing efforts in support of the airport and our communities, and are embarking on new partnerships to help that happen. As always, we covet closer ties to tourism, economic development, education, business and non-profit organizations and entities. We welcome discussion on how the airport can be leveraged to enhance the value of each of these endeavors. And we welcome input from towns on how we can serve you better.

The volunteers who manage the Mount Washington Regional Airport thank you, our fellow neighbors, for your support. And we are available at any time to discuss how we can, together, make the North Country a better place to live, work and visit.

Sincerely,

This has been another busy year at the Council. As we began our 34<sup>th</sup> year as a Planning Commission, we reaffirmed the Council's commitment to serve community and regional needs.

We have instituted a number of new initiatives over the past year that we will continue to work on in the coming year. The Northern Forest Sustainable Initiative is a major undertaking which we are working on with our partner, the Northern Forest Center. We continue to develop our Community Planning Outreach program and participation by the communities continues to increase. Transportation Planning continues to be a priority and in the coming year we will be submitting input to the Ten-Year Transportation Plan as directed by all of our member communities. We are increasing our activity in Environmental Planning and will be introducing a number of programs under this umbrella. All of our programs and services can be found on our new website at [www.nccouncil.org](http://www.nccouncil.org). Please visit us there and give us some input as to how we can better help the region and our communities. We welcome all of your input and will continue to expand our capabilities based on our communities needs.

Thank you for all of your support of the Council. I hope that my staff and I can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community need. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Whitefield Board of Selectmen  
Town Hall Offices  
7 Jefferson Road  
Whitefield, NH 03598

Dear Board of Selectmen:

On behalf of North Country Elder Programs, I would like to respectfully request funding in the amount of \$2,800.00 for the Senior Meals Program to be included in the upcoming Town of Whitefield budget process.

During the time period of July 1, 2005 to June 30, 2006 (Fiscal Year 2006) we served Whitefield residents 445 congregate meals and 11,756 home delivered meals. The Senior Meals Program in Fiscal Year 2006 was able to prepare and serve 131,448 meals county-wide to senior citizens in need of nutritional assistance.

The current need in Whitefield is evident and is likely to continue on the same trend as the population continues to age and require nutritional assistance offered through the Senior Meals Program. The many benefits received by the residents of Whitefield is one of socialization and personal growth as participants at the congregate site receive not only a hot, nutritious meal, but opportunities to interact with their peers through volunteering, social activities and one on one contact. On the other hand, homebound individuals receive nutritious meals delivered directly to their homes by the Meals on Wheels delivery team, and oftentimes, it is the participants only contact with the community. It is, therefore, vital that the needs of this frail population be met with support from their local friends and neighbors.

The Town of Whitefield's past support for this community-based program has been greatly appreciated and we welcome your questions and comments pertaining to this request for funding. Please call our administrative offices at 752-3010, Monday through Friday, and we'd be glad to speak with you.

Again, thank you for your consideration and past support.

ANNUAL REPORT  
NORTH COUNTRY HOME HEALTH AND HOSPICE AGENCY, INC.  
TOWN OF WHITEFIELD  
2006

North Country Home Health & Hospice Agency has been meeting the home health and hospice needs of the North Country since 1971.

Our Home Care Program provides skilled and supportive care services such as nurses, therapists, social workers, home health aides, and homemakers and makes it possible for hundreds of people a year to continue to remain in their homes. In 2006 we traveled 249,408 miles to provide 25,754 visits to the residents in our 21-Town services area.

Our Hospice Program provides skilled and supportive services as well as, paying for medication for symptom relief, medical supplies, and equipment. We also pay for short term hospitalization and in-patient respite care, counseling and pastoral support. Our Compassionate Care Program provides limited amounts of free skilled care to those living with a life-limiting illness who do not have insurance or are under-insured. Volunteer services have previously been contracted through the Hospice of the Littleton Area. The two Agencies are in the process of merging due to the belief that by doing so, we will be able to create an even stronger program of hospice and palliative care for our communities.

North Country Home Health and Hospice relies on Town support and individual donations to help underwrite the cost of providing home and hospice care to people with limited or no health insurance. We have been grateful for your support of our work in this community and look forward to working with you to meet the home care and hospice needs of the residents of Whitefield.

Tri-County CAP, Inc. is seeking your support through town funding of our local Community Action office in Lancaster.

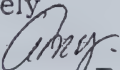

We are requesting \$2500., the same amount we have received for several years.

This money is spent on operational costs of maintaining a presence in the area. Your funding is combined with Community Service Block Grants, Fuel Assistance money provided through the Governor's Office of Energy and Community Services, and the New Hampshire Emergency Shelter Grant.

The residents of Whitefield were served through the many financial resources and referrals offered in our Community Contact Office including case management services, advocacy, food pantry and commodity foods, and informational assistance. During 2005-2006, over \$165,000. was spent to assist Whitefield households.

We appreciate your support and look forward to working with you throughout the coming year to provide for the elderly, disabled, and low-income residents of Whitefield.

**Annual Report – 2006  
Town of Whitefield**

Beverlee Richter, Home Health and Hospice Nurse, shares a tender moment with a hospice patient.

Weeks Medical Center-Home Health and Hospice is grateful for the opportunity to serve the residents of Whitefield and greatly appreciates your continued support and confidence. Town funding is critically important and is used to assist families and individuals who are unable to pay for Home Health and Hospice Services and to support care where funding does not cover direct costs.

Our Home Health and Hospice Services continue to provide Whitefield residents with a wide range of services. Weeks Home Health and Hospice provides continuity of health care from the hospital to patients' homes. Services include skilled nursing; physical, occupational and speech therapies; licensed home health aides; homemakers; medical social services; intravenous therapies and care to the terminally ill.

Our Medicare Certified Hospice program continues to provide excellent palliative care to the terminally ill. Weeks Hospice is a special kind of holistic care . . . focusing on the emotional and spiritual needs of the family, as well as the physical needs of the patient at the end of life. No one is refused care based on an inability to pay. Over the last year, an increasing number of hospice patients received care, support and love from our nurses, aides and volunteers. To celebrate their memory, a luminary service was held and many residents from area towns were in attendance.

**Thank you for your continuing support and confidence.**

## 2006 Director's Report

### *Northern Human Services* White Mountain Mental Health Common Ground

This year White Mountain Mental Health has provided 658.25 hours of outpatient mental health services to 90 Whitefield residents who were either uninsured or underinsured. In addition Common Ground has spent 5,265 hours supporting citizens of Whitefield with a developmental disability to live full lives.

The number of people accessing all of our services has increased. This year we have particularly noted a rise in calls to our 24-hour emergency service. At least one clinician is occupied full-time every day handling unscheduled emergency situations, and both a clinician and a psychiatrist are on-call nights and weekends to support local residents and local emergency rooms. The increase in night and weekend contacts has been particularly notable; a 21% increase over 2005.

As citizens of a town from whom we request financial support, you may wonder who uses our services and how your money is spent. Here are some examples:

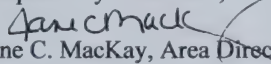

- A 42 year old woman referred by to us by emergency room physician when no physical cause was found to explain her intense headaches. She has no health insurance.
- A 7-year-old child who constantly disrupts the class with his outbursts. His parents are in the process of divorcing.
- A young woman whose husband was wounded in Iraq.
- A 16 year old boy brought to the hospital after attempting suicide when his girlfriend broke up with him
- A 21-year-old college student, who suddenly began hearing voices, became very paranoid and was unable to finish the semester.
- A family with a severely developmentally disabled child for whom we provide funds for periodic respite.

None of these people would have received services if we did not exist. None were able to pay for private care.

Perhaps you or your family have benefited from our services. We are the "safety net" for North Country residents who are uninsured or underinsured. The good news is that our towns support us to allow their residents to access services that are provided by highly competent mental health professionals at a fraction of the full cost. Additionally, our developmental services program, Common Ground, provides homes, jobs and support to more than 100 persons with a developmental disability.

As always, we thank you for continuing to help us make these services available.

Respectfully Submitted,

## REPORT OF INDEPENDENT AUDITORS

To the Board of Selectmen

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Whitefield, New Hampshire, as of and for the year ended December 31, 2005, which collectively comprise the Town of Whitefield's basic financial statements as listed in the index. These financial statements are the responsibility of the Town of Whitefield's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Whitefield, New Hampshire, as of December 31, 2005 and the respective changes in financial position and cash flows, where applicable, thereof, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 8, 2006 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in conjunction with this report in considering the results of our audit.

The management's discussion and analysis and budgetary comparison information on pages 6 through 9 and 46 through 48 are not a required part of the basic financial statements but are supplemental information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplemental information. However, we did not audit the information and express no opinion on it.

Respectfully submitted,

*Mason + Rich, P.A.*
